### The Value of Freight Forwarders

<https://ucbrokersperth.wordpress.com/2012/10/24/the-value-of-freight-forwarders/>

Freight forwarding services are essential for enterprises engaged in both local and global import and export ventures. The freight forwarder does not transport commodities from one country to the other. However, it serves as principal liaison between the importer or exporter and transport services. The complicated process of shipping merchandise or sending it by plane
