where can i take local kickboxing classes

<https://www.muay-thai.ws/>

In the past, martial arts based fitness training programs were too watered down, or they limited the kickboxing instructor by only offering a large group fitness format. That requires a lot more floor or mat space (and often expensive very equipment). We realized there must be a better way. People like you want a realistic and challenging martial arts fitness fitness program without the fluff or contact of actual fighting.
