[Air India en passe d effectuer le plus long vol du monde](#)

<https://www.referencement-internet-web.com/35783-air-india-en-passe-d-effectuer-le-plus-long-vol-du-monde.html>

Réserved your ticket for the longest commercial flight ever. Air India will propose a route connecting Bangalore to San Francisco soon. In the race of superlatives, the world of aviation does not count on staying in the lead. Thus, the carrier Air India will launch the longest flight in the world soon. It will connect Bangalore to a major American hub.
