apple watch bands

<https://bandswatch1.soup.io/>

Apple Watch ReviewThe iPhone only comes in 2 sizes, but the Apple Watch is different. You can choose either 38mm or 42mm in size, and three different materials: aluminum in the Apple Watch Sport, stainless steel in the Apple Watch or gold in the Apple Watch Edition. Plus, Apple produced many band options for each collection. The straps come in a rubber-like fluoroelastamer, leather and steel in m
