Contacting Potential Investors With Your Invention Idea

https://www.huffingtonpost.com.au/entry/how-to-contact-potential-investors-for-your-invention_us_57ebfd6e4b0972364dea9a2

Trying to take your invention from idea to market takes work, time, and money. Even with putting your full time and effort into developing your idea, it may still be difficult to make ends meet.
