iRobot- 650 Roomba- Set It And Forget

<https://robotvacuumhut.com/irobot-roomba-650-vacuum-cleaning-robot/>

While it is about cleaning, people want it to be done in many different manner. Cleaning won't just mean to wipe the floor but it has to be done with proper methods. People won't have time to sweep the floor, wash it, mop it and do other things.
