iRobot Roomba 780 Vacuum Cleaning Robot

<https://robotvacuumhut.com/irobot-roomba-780-vacuum-cleaning/>

There is no doubt that the iRobot Roomba 780 looks very attractive with its completely black and silver edges all round the machine. It is round machine that runs on three wheels and the wheels can rotate 360 degrees so that it easily reaches all the hard to reach places and runs around obstacles and furniture to offer the most effective cleaning.
